*It is not possible for individuals to invest directly in an index. Performance figures for an index do not reflect deductions for sales charges, commissions, expenses or taxes.

Total returns include changes in share price and the reinvestment of income dividends and all capital gains distributions. Performance figures represent past performance and are not a guarantee of future results. The investment return and the principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost; current performance may be lower or higher than the performance data quoted. IMPORTANT INFORMATION

Shelton Sustainable Equity Fund's environmental focus may limit investment options available to the Fund and may result in lower returns than returns of funds not subject to such investment considerations. There are no assurances that the Fund will achieve its objective and or strategy. Investing in securities of small and medium sized companies, even indirectly, may involve greater volatility than investment in larger and more established companies.
