^Annualized.

All performance figures reflect an expense reimbursement. Without the expense reimbursement, the performance figures would be lower. Performance figures represent past performance and are not a guarantee of future results. The investment return and the principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost; current performance may be lower or higher than the performance data quoted. All time periods greater than one year are annualized. For more current month-end Fund performance information, please call our office at (800) 955-9988.
